

Yoga and Mindfulness Retreat

Join Kari and Silke for a yoga and mindfulness retreat in Upper Bavaria in the beautiful spa town of Bad Kohlgrub. Bad Kohlgrub has been a popular destination for retreats, spiritual seekers and nature lovers for many years. This retreat offers 2 classes per day, both Jivamukti yoga classes (in English) and sessions to introduce students to Mindful Meditation techniques as developed by Jon Kabat-Zinn/MBSR (in German). This is a great opportunity for those wishing to complement their yoga practice with practical tools to address and reduce stress while also enjoying the spa and surrounding areas.
